# Build An Easy, Effective Screening Solution

- Layout a sustainable plan
- Recruit sites and resources
- Implement a network
- Demonstration

## Layout a Sustainable Plan

### Sustainable

- Connected
- Engaged

- Funding resources
- Breadth of guidelines
- Target connected sites
  - Screening reach
  - Services and resources
  - Distribution of work and cost
- Performance reporting
  - Provider engagement – training and TA
  - Parent engagement – education and PR

## Plan → Funding Resources

---

- Grants (startup versus sustaining)
  - Existing
  - Niche
  - Community-based
- Already budgeted resources
  - Public Health
  - Community resources
- Self-sustaining sites

## Plan → Breadth of Guidelines

---

### Specify Screening measures

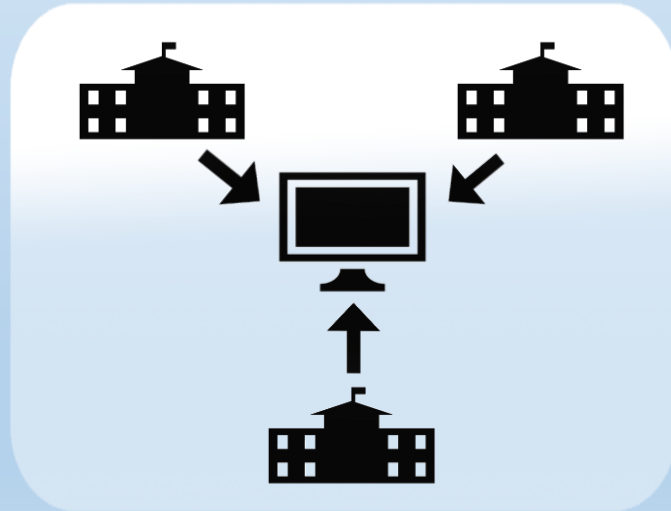

- Maternal Depression (EPDS or PHQ-9)
- Developmental (ASQ-3 or SWYC)
- Autism (M-CHAT-R)
- Social Emotional (ASQ:SE-2 or SWYC)
- Adolescent (PSC, PHQ9-Y, SCARED, CRAFFT)
- Adult (PHQ-9, GAD-7, AUDIT-10, DAST-10)

### Setup

- Age-based screening protocol
- Community road map
- Aggregate reporting

## Plan → Target Connected Sites

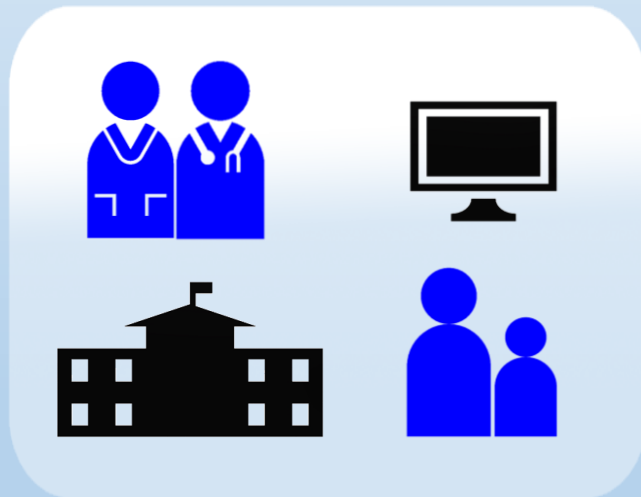

---

- Screening reach
  - Medical (integrated)
  - Early Childhood, etc.
  - Portals and links
- Services and resources
  - Evaluation and services
  - Community resources
- Distribute work and cost

## Plan → Performance Reporting

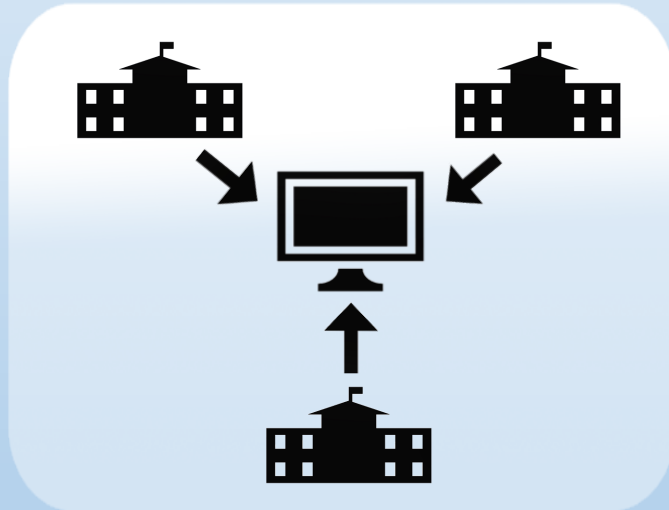

---

- Quarterly reporting to program members
  - Screening rates
  - Flag rates
  - Flag disposition rates
- Focused TA to providers and ECCs
- Program marketing to parents and funders
- Grant writing and reporting

## Recruit Sites and Resources

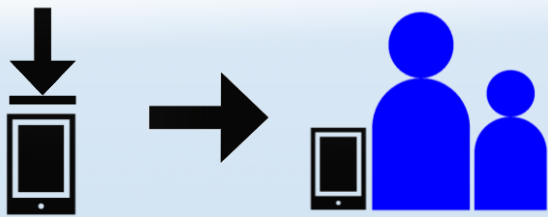

- Screening sites
  - Medical clinics (Medical Society)
  - Early Childhood centers
  - Public Health, Head Start, etc.
- Services and resources
  - Early Intervention, Child Find, etc.
  - Community resources (HMG, SDoH, etc.)
- Manage logistics and expectations
  - Community Road Map
  - Community BAA
  - Program Consent if needed
